

40 Prospect Ave, Princeton, NJ 08540

**Helena Casademunt**  
**Vice President**  
**Princeton Prospect Foundation Meeting**  
**27 February 2018**

### **Membership**

- We have 200+ members including our new sophomore class.
- We are organizing initiatives to facilitate connections between members, especially to integrate the sophomores into the club.

### **Community Service and Engagement**

- We have continued our partnership with Princeton-Blairstown Center. In the fall, our former Community Chair Teresa Tang'18 organized a Woodcutter's Weekend trip for members to help the Princeton-Blairstown Center prepare for the winter. We are going to have another trip this semester.
- We have just appointed a new Community Chair, Alice Xu'20.
- We are going to organize another charity fundraising talent show in April.
- We have a Sustainability Chair, currently Kimberly Peterson'19.
- We have replaced Styrofoam cups and takeout boxes with more biodegradable options and we now recycle cups used on Friday parties with TerraCycle.

### **Educational Initiatives**

- We have welcomed Catherine Wang'19 and Yusuke Tsuzuki'19 as our co-finance chairs to lead Colonial Investments.
- We hosted a networking event for members with Morgan Stanley and alum Christopher Yu'17.
- We are planning a career panel for members later in the semester where alumni will talk about their career choices and work experience.
- Our Colonial Development chair Nicholas Yang'18 is working on improving the members' website.
- We will have Spanish, French, Chinese, and Japanese language tables this semester. We are collaborating with the Chinese department to host professors every week at our Chinese table.
- We are continuing with the Professor Dinner Series.
- We will hold another Take Your Professor to Dinner event, where members can invite their professors to eat dinner in the club.
