Princeton Prospect Foundation Report

February 23rd, 2017

Susan Zhou, Vice President

Community Service & Civic Engagement

- ❖ Our community service chairs Elise Georis '17, Roan Gideon '18, and Sarah Brennan '18 represented TI at CSICC biweekly meetings.
- ❖ Members of TI are working on two teams, Sponsorship and Trucks, to help plan and organize TruckFest 2017. They are responsible for procuring trucks for the events and working with the trucks and their respective employees.
- ❖ Assisted the CSICC chairs with the publicity and logistics for Trick or Feed this past fall for Princetoween. Trick or feed raised money that went to the Trenton area food bank.
- ❖ Plan on working with CSICC in organizing a fun run in the spring semester.
- ❖ During one of our most well-attended events of the semester, we required a donation of a non-perishable item upon entry. As a result, we collected over 300 canned goods that will be donated to the Trenton Soup Kitchen.
- ❖ This Spring, we plan on hosting an Easter egg hunt for the local children in Princeton that will involve the efforts of the entire membership.
