

CANNON DIAL ELM

Princeton Prospect Foundation Report: February 16th, 2026

Undergraduate Representatives: Nick Crowley '26, Former Vice President

INTELLECTUAL ENGAGEMENT

Cannon Dial Elm members have consistently excelled not only on the field, court, or ice but also in all areas of life at Princeton. Cannon is known for its popular study spots, including the library and the printer room, which now features newly installed monitors and desk spaces which Cannon members are always taking advantage of. This fall, many members were recognized for their academic achievements, earning Academic All-Ivy honors and other distinctions. Taylor Hyland '26 and Jackson Kane '26 were a few outstanding officers and student-athletes. Additionally, Beth Yeager earned CDE member of the year award for exemplifying excellence in academics, community service, and athletic competition. Our IM Chair, Alex Ryan, was nominated for the Inter-murals Sportsmanship Award this spring, an honor given to a consistent inter-murals player who demonstrates exceptional leadership and achievement on all playing surfaces, in the classroom, and within their communities.

COMMUNITY SERVICE

Community Service has been a large focus of the club this year. Spearheaded by Activities Chair, Caroline Kane, we have a large portion of CDE participating in Tigerpals, dedicating time to young athletes around the Princeton community. Our SHARE Peers organized our annual participation in "Communities of Light" and lit up our walkway with flickering lights to show solidarity with survivors of domestic violence and sexual assault in our community. Additionally, for Veterans Day, Cannon led an initiative to write handwritten notes to send to Princeton Veterans to thank them for their service.

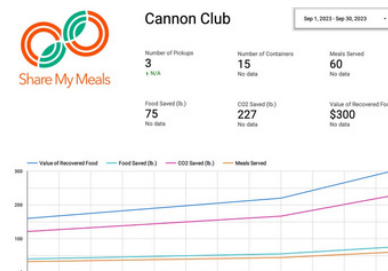

CANNON DIAL ELM

SUSTAINABILITY

Cannon's sustainability efforts were spearheaded by last year's Activities Chair, Caroline Kane '24. For the past four years, the club has maintained a strong partnership with a local non-profit called ShareMyMeals. Through this organization, we donate meals a few times a month to be distributed to local families in need. Additionally, we have implemented a Junior Sustainability Chair responsible for weighing all food waste and reporting the numbers to the kitchen to ensure Cannon adjusts food output to meet club demand while minimizing excessive waste.

CLUB LIFE

This year, we continued to offer a Junior Officer program, maintaining our tradition of having junior officers transition into leadership roles within the club. This fall, President Joey Wassler and Vice President Jay Mentink both advanced from Junior Officer to Officer positions. Last year, we increased the number of SHARE peers in the club from three to five members, and this year, we continue to have a strong group of five SHARE peers. During this year's spring bicker, we welcomed 118 new Cannon members from the Class of 2027. Our new class of Gunners already feels at home in the club and is eager to engage with all that Cannon has to offer. As a club, we strive to consistently build connections, enhance our diversity, and preserve the spirit of unity among members.

2026 OFFICERS:

President: Joey Wassler
Vice President: Jay Mentink
Treasurer: Allie Goodwin
Social Chair: Gabby Kim
Social Chair: Caden Wright
Social Chair: Mark Marino
